Next meeting Wednesday September 6th at 7:00 pm

Presidents corner, sorry that I missed the last meeting Mr. Oberest took over the duties for the day. This is getting to you a lil late. As we all know the meetings are still on the first Wednesday of every month. So don't let a late news letter discourage you from showing up to the meeting. Thanks Larry

Meeting opened at 7:00 pm by Jim Oberst

The war bird fly in was the main topic on the agenda Mr Allington will be the contact person at this venue. And club members were requested to bring In war bird type planes to show at our booth. As of this date Mr Montabano won the raffle plane a p51 mustang . A final tally of the booths proceeds will be available at the next meeting.

Mr. Van corbach is still in contact with the city engineer and Humane society to review the site plans, will advise as this goes forward.

Fun fly.. Devin is having a fun fly in October all members are invited there will be a slight charge to offset the prizes. As we do not know how many will participate , we will not be having a BBQ at the legion as a head count is required weeks in advance , and we must guarantee a set amount of 50 or more for the BBQ team to put on a dinner , will try to put some thing together,

Jim won the crash of the month award ...I think he has a standing order for a replacement plane, as necessary.

An assortment of raffle prizes were won. Every one that had a winning ticket was present,

The 50/50 drawing ticket winner was also present.

Respectfully submitted Gerald Miller
