Presidents corner, As this year comes to a close I want to thank those persons responsible for the success of our club as it takes the time and effort to make any club successful, Mr. Oberst our vice president who is at our flying field almost ever day to get it set up and ready to fly .our secretary Mr. Miller who has kept the minutes of every meeting, our treasure Mr. Holland that has been responsible for the collections of our dues and keeping our assets safe. Mr. Montalbano who has made an excellent web page for our club, our newsletter editor Mr. Dangourian that makes sure we are notified of events and what has been on the agenda, our safety officer Mr. Serio who implements the safety rules of AMA.. And the committees that help make the club grow, and to all others that have contributed to the club in time and financial support. Personally I cannot thank you enough for your help.

Larry Schlagel president Tri Valley R/C modelers

Minutes tri valley R/C modelers., December meeting came to a loose order around 7 ish standing members 10 at the bar 6 seated 12 leaning 15 for a total of 43 including guests ,a recommend to close the meeting at a lil after 7 ish was approved , with the help of Mrs. Oberst , and Mrs. Schlagel the American legion hall was ready for our Christmas party. Cocktails were served?? Not to sure that every one got what they ordered but after a couple of the American legion triple shots it didn't make much difference,

With a close tie this year Ken Van Corbach is the proud owner of the crash of the year award. Only due to value lost, but I'm sure every crash this last year was not to a plane that needed to be lost.

We were treated with a great bbq chicken and tri tip dinner. A Lil confusion was present when it was time to be served , ah we had no plates or dinner ware, but all went well and ended up with more food than we could eat , and again the American legion also provided us with a nice Christmas cake ,

With the donations of Jim Oberst, Larry Schlagel and big boys toys we had a great display of raffle prizes, Mr. Cornel Krintz our new treasure, and the person that was selling raffle tickets, some how won the most prizes.

Ordered and delivered were new jackets some were pre paid for from last year, but were out of them again, some things just go better than expected,

Our new president Ken Van Corbach made a statement to the club on his goals for the next year,

We were all saddened to hear that Mrs. Heavener past away after a lengthy illness, and to Carl, to offer our most heartfelt deepest sympathy.

According to Jim, Keith Windsor soloed a electric for the first time and we all know how great that feels, keep the wings level and keep on flying.

Now as my term of presidency is over on the 1st of the year again I want to thank every one for their support especially the statement from Chuck Barns Larry Oh Larry SH##%# oh Larry as my plane crashed into a crowd of people at the war bird fly in, and of course this was on the P A system at the time, and we made the front page of the Santa Maria times, some where between there and where were at now we need to continue to grow and only with the clubs support will this happen. Thank you Larry....
