EDITOR'S COMMENTS: This newsletter is being distributed using the current 2007 active member roster. If you change your e-mail, or any other pertinent information, it is your responsibility to inform the club in order to continue receiving the newsletter and other mailings. Also, I am trying to update the RC frequency usage list. Please look at your copy of the roster, and if there is no record of your RC channels, or if the channels listed need to be updated, please send the information to me. Include 2.4 GHz if you have one of those radios. This is to help you and other club members to select channels that are not already crowded. Please use the following e-mail address for club newsletter comments and correspondence to the editor: tvrc@charter.net .

PRESIDENT'S CORNER: Ken is working hard on new field options. Stay tuned for more news later.

Frank George, Editor

DECEMBER 5, 2007 MEETING: The December meeting was opened by President Van Corbach, who then announced the new officers for 2008, and acknowledged all those who helped during the year, and especially with the Christmas dinner. The business meeting was adjourned, followed by the dinner, the raffle and presentation of the "Bent Prop" award.

The following important requests have been received since the meeting.

Treasurer: The 2008 dues are now payable; \$40.00 per member.

Deputy Safety Officer: Very few members have completed the pilot proficiency recertification required by our club bylaws. Please see Jim Oberst or Mark Serio at the field and complete this chore as soon as possible.

Crasher-of-the-year: Jim Oberst was voted the winner and received the Bent Prop trophy.

Merry Christmas
