HAPPY NEW YEAR EDITION!

Minutes of the December Meeting and Christmas Party

The December meeting was folded into the annual Christmas Party, held again at AJ Spurs in Arroyo Grande. The party was well attended, and all seemed to enjoy the evening. President Mark Carlson kept the meeting part to thanking the various club members and wives who had made things go well in 2025: the continuing maintenance and improvements at the Aero Camino Airfield, the hugely successful Giant Scale Fly-in, several pancake breakfasts and BBQs as well as four Float Flies up at Lake San Antonio. Looking forward to another successful year in 2026!

After dinner, Mark held drawings for a variety of door prizes, seemed like most folks got something, from several nice airplanes for the gentlemen and gift certificates and other goodies for the ladies. Chuck Barnes won the 50/50, I forget how much, but I know Debbie remembers! I think everyone had a good time and most went away with tomorrow's lunch, as is normal for AJ's.

THE NEXT RAFFLE PLANE WILL BE A MARLIN FROM ARROWS, 64MM EDF, 900MM WINGSPAN, FIXED TRICYCLE GEAR, AILERONS, FLAPS, RUDDER, ELEVATORS. 2840 MOTOR WITH 40 AMP ESC. PLUG'N'PLAY SEE JIM MC KEAN FOR TICKETS; \$5.00 EACH, BUY SEVERAL!

2026 FLOAT FLYS!

TVRC will have 3 Float Flies at Lake San Antonio, Salinas Area Modelers (SAM) will have 4. Looks like it may be a wet winter, so the lake should be at least somewhat refilled. Cross yer fingers!

BOTH CLUBS WELCOME VISITOR FLYERS, JUST BE POLITE AND FOLLOW GOOD PRACTICES!
